Christmas presents 2017: Gourmet ideas among panettone, wines and spirits

Christmas 2017: gourmet ideas
GRAPPA NONINO

If today you haven't finished yet all your Christmas presents probably something has gone wrong. No panic, however. There is a last minute solution that always works in these cases: stake on food & beverage. After all these are the holidays of sharing, of great lunches and dinners, of aperitifs and sparkling wine, so why shouldn't we prefer a gift that can be offered during a meal instead of the nth Gucci bag? In fact.

To help you in this enterprise we have selected for you the most interesting gourmet suggestions among precious wines, famous spirits and extra luxury panettone. Without forgetting the special packages of Champagne – from Ruinart to Moët & Chandon – perfect for the classical New Year's Eve toast. And if you really want to leave everybody dumbfounded Pasticceria Marchesi has realized a precious trunk in velvet and jacquard bouquet silk interior that contains a selection of top range delicacies.

Go through our gallery and let yourselves be inspired by more than 50 ideas for presents.
