L'Aperitivo Nonino *Botanical Drink*

How L'Aperitivo Nonino *Botanical Drink* was born

- 1928** Silvia and Antonio Nonino, the guardians of the family's spirit tradition, reinvent the ancient recipes of herb infusions for medicinal use and create "pleasure drinks" for the palate and for the soul.
- 1984** Giannola and Benito Nonino honor the great alchemic tradition with a creation whose purity is unique in the world. Drop by drop *ÙE*®, the Grape Distillate, is born.
- 2018** Cristina, Antonella and Elisabetta Nonino, inspired by the family's historical archives, revise in a contemporary key an ancient recipe based in an infusion of botanical herbs. Flowers, roots and fruits are selected according to the origin and the organoleptic characteristics, later they are dried at low temperature in order to keep unchanged the natural intensity of fragrances, tastes and colors. The light filtering preserves the citrous freshness and the moderate sweetness of the botanicals, a 100% vegetal harmony made precious with *ÙE*® Nonino Monovitigno® Fragolino, which enhances the natural balsamic notes with fruity Mediterranean characterizations, with scents of blackberry and berries. **L'Aperitivo Nonino *Botanical Drink*** is a botanical magic which in its colors and tastes bears the memory of the infinite variables of nature, the sun and the energizing joy of a toast! Without additives. **100% VEGETAL.** Its vivid yellow color is 100% natural, as well as the taste, fresh and balsamic.
