(ANSA) - TRIESTE, 05 APRIL – FOR THE FIRST TIME VINITALY DEDICATES A THEMATIC AREA TO MIXOLOGY AND IT WILL BE INAUGURATED WITH A GRAPPA COCKTAIL FROM THE NONINO MASTERCLASS, THE GRAPPA EVOLUTION WITH SALVATORE "THE MAESTRO" CALABRESE.

"We are very happy to have once again opened the way to the whole sector and to have made bartenders all over the world appreciate grappa, a fascinating distillate with a great personality", THIS is the comment of the Nonino house, which started a "revolution" in 1973 with the evolution of Grappa in cocktails..

The Nonino family has devoted itself to distillation since 1897 when the family founder Orazio Nonino settled in Ronchi di Percoto. (ANSA).
